

IP & EM Post-Processing Softwares

Get the most out of your dataset!

With GDD instruments and Post-Process softwares, save time, money and avoid re-surveying. You can now **correct and enhance** your Fullwave EM and IP dataset.

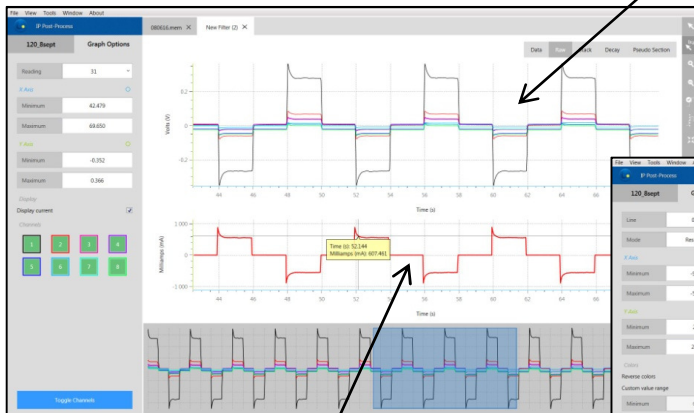

IP Post-Process Software

- Visualize the Fullwave (from *.fullwave or *.MEM files) and Pseudosections;
- Improve your apparent resistivity using real-time current with the EM-IP Tx Controller (GPS time required);
- Fine-tune synchronization, change your windows scheme, discard noisy data...
- Merge data from multiple Rx;
- Cancel the telluric noise using time stamp signal from a remote station, using any GDD IP Rx (GPS time required);
- Available with GDD IP Receivers, Tx Controller and SCIP Tester.

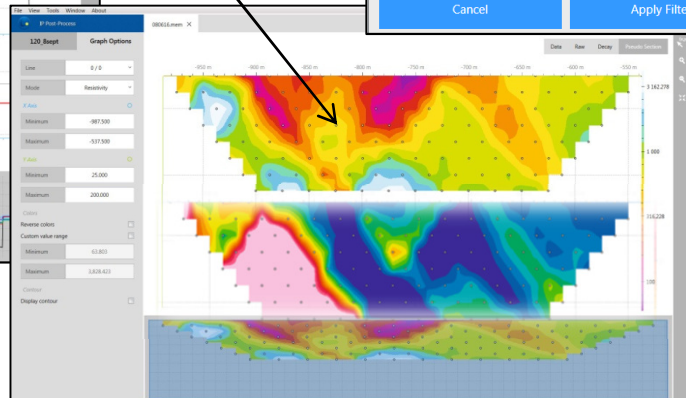

Visualize in details the Fullwave Primary Voltage "Vp" measured at the IP Rx

Visualize both the Resistivity and Chargeability

Visualize the Fullwave current "I" measured every 1ms using GDD's new EM-IP Tx Controller

Canadian Manufacturer of Geophysical Instrumentation since 1976

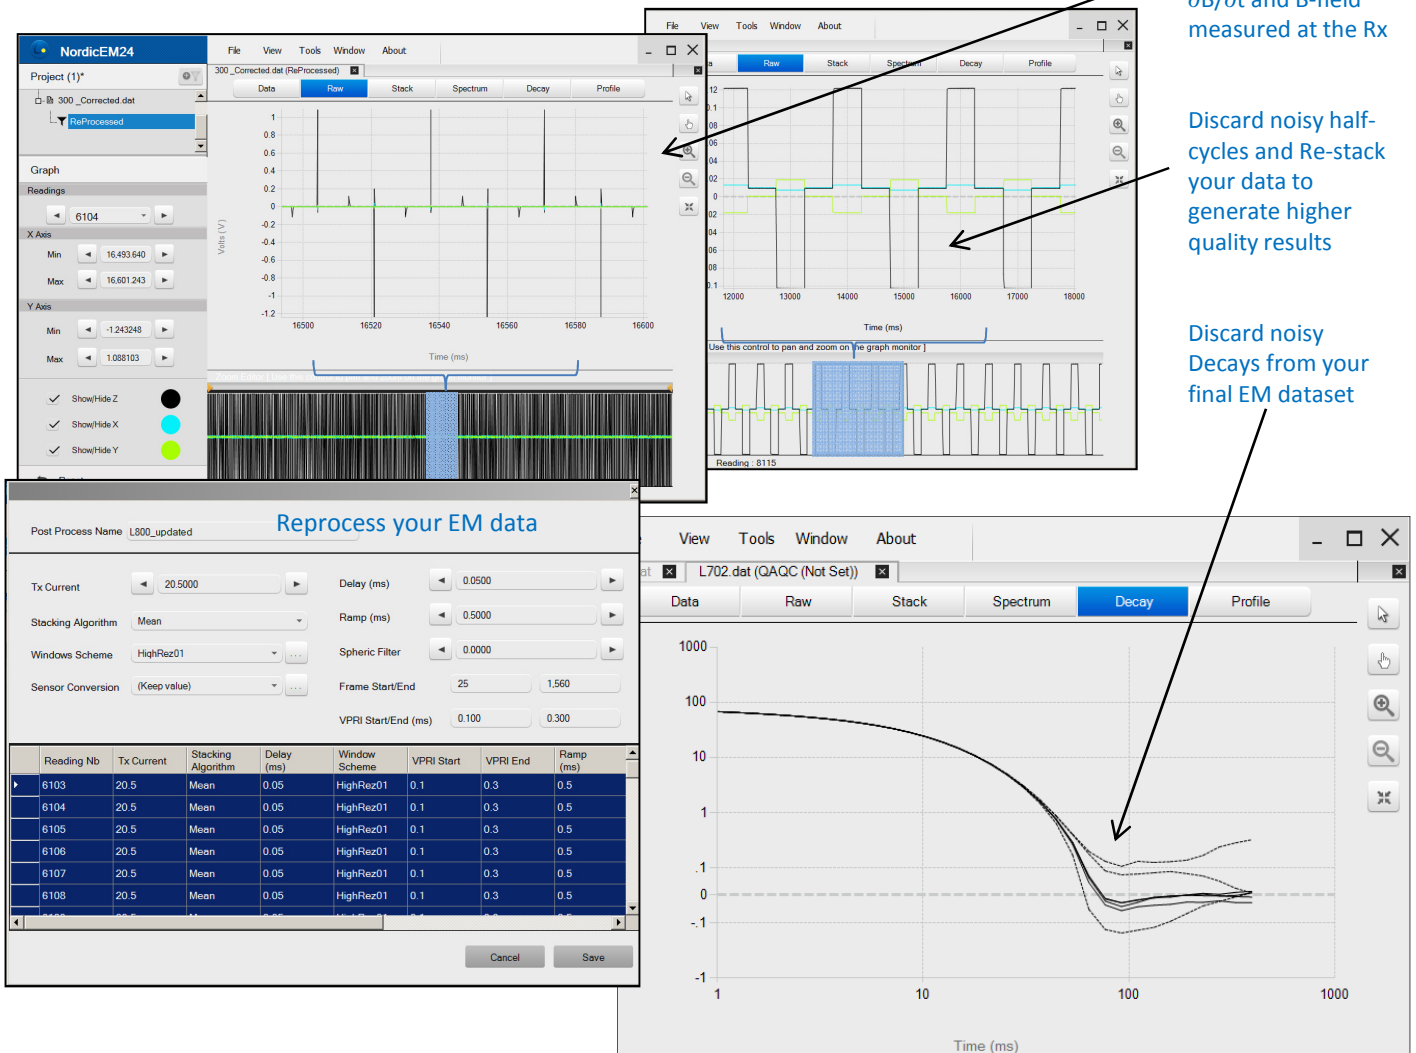

EM Post-Process Software

- Visualize the Fullwave, spectrum, decays and profiles;
- Fine-tune synchronization, change your windows scheme, discard noisy data...
- Available with GDD NordicEM24 TDEM receiver

Visualize in details the fullwave Secondary EM $\partial B/\partial t$ and B-field measured at the Rx

Discard noisy half-cycles and Re-stack your data to generate higher quality results

Discard noisy Decays from your final EM dataset

PURCHASE

Can be shipped anywhere in the world.

RENTAL

Starts on the day the instrument leaves our office in Québec to the day of its return to our office. 50% of the rental fee of the last 4 months of rental can be credited towards the purchase of the rented instrument.

WARRANTY

All instruments are covered by one-year warranty. All repair under warranty will be done free of charge at our office in Québec, Canada. Transportation, taxes and duties are extra, if applicable.

SERVICE

If an instrument manufactured by GDD breaks down while under warranty or service contract, it will be replaced free of charge during repairs (upon request and subject to instrument availability).

OTHER COSTS

Shipping, insurances, customs and taxes are extra if applicable.
